CLERK: Read LB699

PRESIDENT: All provisions of law relative to procedure having been complied with the question is "Shall the bill pass with the emergency clause attached". All those in favor vote aye, those opposed vote no. Once again, the Chair would ask have you all voted? Clerk will record.

CLERK: 44 Ayes, 2 Nays and 3 not voting. Vote appears on page 534 of the Legislative Journal.

PRESIDENT: Bill is passed with the Emergency Clause attached. Do we have any resolutions on the desk?

CLERK: None, Mr. President.

PRESIDENT: Thank you, then we will move....are there any bills for introduction?

CLERK: Yes.

PRESIDENT: Stand by Senator Carpenter, we have a bill for introduction.

CLERK: I have a whole series here.

PRESIDENT: OK, we have a series of bills here. Senator Carpenter for what purpose do you rise?

SENATOR CARPENTER: Senator Marvel has indicated that the first four bills which have been bracketed on Final Reading are now in a position to be read if the body wants to do it. It doesn't require the suspension of the rules, I don't presume just to unbracket a bill and for the bill to be read. They have been up there a long time. They are "A" bills and I would presume that we would pass them as soon as we can with the proper information in order to send them over to the Governor to get his reaction on what to do with them. First four 17, 17A, 77 and 77A.

PRESIDENT: Does the Chair hear a motion to unbracket those four bills?

SENATOR CARPENTER: I so move.

PRESIDENT: Alright we now have a motion to unbracket the first four bills up there on that are bracketed on Final Reading. We can do this by unanimous consent, are there any objections to unbracketing those bills and reading them on Final Reading?
